## WONDERWORD - ARABIAN HORSES BY DAVID QUELLET

HOW TO PLAY: First read the list of words, then look at the puzzle. The words are in all directions, vertically, horizontally, diagonally, backward. Circle each letter of a word found and strike it off the list. The letters are often used more than once, so do not cross them off. When you find all the words listed in the clues, you'll have a number of letters left over that spell the Wonderword.
