

BACK TO THE BARN

HOW TO PLAY: You've been riding for about an hour when you realize that you need to be back at the barn in 45 minutes.

"Come on!" says your friend, as she turns off the trail you're familiar with. "I know a shortcut."

"How do you know which way to go?" you ask.

"It's easy," she replies. "The trail markers are riding boots and horseshoes. As long as we don't pass two of the same type of markers in a row, we'll be going the right way." Following her tip, see if you can figure out the right trail back to the barn.
