

HOW MANY HORSES DOES IT TAKE TO CHANGE A LIGHT BULB?

Various versions of this list have been going around the Internet for a while, but it's hard to figure out who started it. If you know, please tell me!

THOROUGHBRED: Who ME?? Do WHAT? I'm scared of light bulbs! I'm outta here!

ARABIAN: I changed it an hour ago. C'mon you guys – catch up!

QUARTER HORSE: Put all the bulbs in a pen and tell me which one you want.

STANDARD BRED: Oh, for Pete's sake, give me the darn bulb and let's be done with it.

SHETLAND: Give it to me. I'll kill it and we won't have to worry about it anymore.

FRIESIAN: I would, but I can't see where I'm going from behind all this mane.

BELGIAN: Put the Shetland on my back, maybe he can reach it then.

WARMBLOOD: I was sold for \$75K as a yearling, but only because my hocks are bad, otherwise I would be worth \$100K. I am NOT changing light bulbs. Make the TB get back here and do it.

MORGAN: Me! Me! Me! Please let me! I wanna do it! I'm gonna do it! I know know, really I do! Just watch! I'll rewire the barn after too.

APPALOOSA: Ya'll are a bunch of losers. We don't need to change the light bulb. I ain't scared of the dark. And someone make that darn Morgan stop jumping up and down before I double barrel him.

HAFLINGER: That thing I ate was a light bulb?

MUSTANG: Light bulb? Let's go on a trail ride, instead. And camp. Out in the open like REAL horses.

LIPIZZANER: Hah, amateurs. I will change the light bulb. Not only that, but I will do it while standing on my hind legs and balancing it on my nose, after which I will perform seven flying lead changes in a row and a capriole.

MINITURE: I bet you think I can't do it just cause I'm small. You know what that is? It's sizeism!

PAINT: Put all the light bulbs in a pen, tell me which one you want, and my owner will bet you twenty bucks I can get it before the Quarter Horse.

POA: I'm not changing it. I'm the one who kicked the old one and broke it in the first place, remember? Now, excuse me, I have a grain room to break into.

GRADE HORSE: Um, guys? I hope you don't mind, but I went ahead and changed it while you were all arguing.
